

WE FORGE WINNERS LIMITED EDITION

Slim,
sleek,
sporty!

The perfect gift for professional craftsmen – our diagonal cutter as a strictly limited collector's edition in the special colours white, blue, green and red.

For those who value precision: the indestructible KNIPEX diagonal cutter is now available for a limited time with handles in exclusive special colours!

This professional tool is a real team player: versatile and extremely robust and durable. With its extended, induction-hardened precision cutting edges, it cuts even hard wires cleanly and reliably, even in confined spaces. The slim head shape ensures maximum manoeuvrability and the ergonomic comfort handles made of three components guarantee a perfect grip.

Equipped with two universal KNIPEXtend interfaces for a tether attachment point or colour code clips for colour coding, these diagonal cutters are always a hit.
